

Healthy Climate® Bypass Humidifiers (HCWB3-17/HCWB3-12)

Healthier

- » **Create a healthier home** and lessen skin irritations, sore throats and respiratory problems
- » **No ozone emissions**, a known lung irritant

Home comfort

- » **Whole-home humidification** helps control problems associated with dry indoor air, providing optimal comfort and air quality
- » **Easier-to-use and less-intrusive option** than portable units—no need to constantly fill and clean units
- » **Work with your central comfort system** – equipped with a bypass damper that works with your air handler or furnace fan to direct humidified air throughout the home
- » **Use an evaporative humidification process** that optimizes the distribution of moisture, helps prevent the buildup of minerals, bacteria and mold, and minimizes the amount of maintenance required
- » **Available in 17- or 12-gallon per day capacity** to maintain just-right moisture levels in your home
- » **Available with automatic control** to keep humidity precisely where you need it

Protection

- » **Protect home and furnishings** by reducing the risk of wood warping and cracking

Reliable performance

- » **Quality you can trust** – designed with reliable, time-tested components
- » **5-year limited warranty** on covered components*

Lennox is proud of the fact that these products have earned the Good Housekeeping Seal.

**HCWB3-17/
HCWB3-12**

Effective whole-house humidity control
